### **Oak Hills Home Severely Damaged By Fire**

At 7:35pm TVF&R firefighters were dispatched to a house fire at 15094 NW Oakmont Loop in Washington County. The first engine from Oak Hills Fire Station 68 arrived in 4 minutes and found the single family residence fully involved with fire from all sides. Crews quickly began an exterior attack of the structure and then transitioned to an interior attack. Firefighters had the bulk of the fire knocked down within 15 minutes.

The owners were not home at the time of the fire and no injuries were reported.

Fire investigators are working to determine the cause of the fire. Investigators believe the home, valued at \$250,000, is a total loss.
