TVF&R Firefighters to “Fill the Boot” for MDA

For the next two Fridays and Saturdays, off-duty firefighters and family members from Tualatin Valley Firefighters Union (Local 1660) will be asking motorists to “Fill the Boot” for Muscular Dystrophy Association (MDA). These volunteers will be posted at several locations in TVF&R’s service area (see below schedule), asking motorists to donate cash into their firefighter boots. This year’s goal is to raise as much as last year’s event, which brought in \$50,000.

Individuals unable to visit a “Fill the Boot” intersection can donate on-line at www.tvfr.com or at any TVF&R office or fire station. Checks should be made out to MDA.

The money raised by firefighters is used by the MDA for research and treatments to prolong children's lives. It is spent on braces and wheelchairs, on community health centers, support groups, and summer camps. The International Association of Firefighters has been strong supporters of MDA for over 50 years.

This chapter helps provide assistance for medical care expenses, specialized equipment, and other costs including MDA camp, and local support groups.
