### **BEAVERTON GARAGE FIRE**

Firefighters from TVF&R's Beaverton Station 67 extinguished a fire in an apartment complex garage Tuesday morning. No one was injured.

A resident of the Westbury Apartments at 4673 SW Greensboro Way called 911 just after 11:00 a.m. reporting a fire in a garage. Firefighters from TVF&R's Station 67 arrived several minutes later to find the garage engulfed in flames. The garage is part of a building containing 12 garage units that is detached from the apartment complex. Firefighters quickly attacked the flames and were able to extinguish the fire within minutes of arriving. Because of the firefighters short response time and quick, decisive action, they were able to prevent the fire from spreading to surrounding garages. Firefighters from Stations 51, 61, 62, 66 and 67 responded to the fire.

A TVF&R fire investigator is working to determine the cause of the fire.
