TVF&R Extricates Patients Involved in Severe Accident

At approximately 7:50pm Tualatin Valley Fire & Rescue was dispatched to a report of an accident on SW Canyon rd. and Linden rd. On arrival TVF&R found 3 vehicles involved, one with heavy damage. Responders quickly began extrication of 3 occupants in the heavily damaged car using hydraulic tools, while at the same time paramedics worked on the injured passengers. Two patients were transported to local hospitals, while unfortunately, one did not survive the crash.

No other injuries were reported.
