Trust Management

The Board of Directors controls the Pension Plan, while the District's Fire Chief/Administrator serves as advisor to the Board and authorizes increases in benefit payments.

Day-to-day administration of the plan, including payments to retirees, is managed by the District's Finance Directorate. As all trust funds have been utilized, the District is now making contributions to the Trust Fund in order to meet pension benefits each month.

Pension Benefit

Two groups of retirees are covered under the Pension Trust Fund. One group consists of those individuals who retired prior to amending the plan in 1976. The second group is those individuals affected by the Amended and Restated Plan of 1976, and who retired on or before July 15, 1983.

The original 1973 retirement plan stipulates that the retirees receive a benefit of sixty percent of their current salary range for the job classification held at time of retirement. Spousal benefits are equal to 100% of the retiree's benefit. Thus, their benefit increases are directly tied to raises of the existing employee group. There are three beneficiaries under this plan.

Under the 1976 Amended and Restated Plan, benefits were determined by multiplying a percent, which is the value of the number of years of completed service, times two percent per year, by the final average salary. The cost of living increases for the retirees under the 1976 Amended and Restated Plan are limited to two percent per year. There are one beneficiary and one recipient under this plan.

Pension Benefit

In addition to monthly plan benefits paid, for 2018-19 the District has budgeted for the potential purchase of annuities in order to pay future volunteers monthly award amounts and, as such has budgeted for this in Personnel Services. The District continues to monitor pricing of annuities and, as well, locate certain past volunteers with vested benefits under the prior plan.

The District's replacement plan for current volunteers is a defined contribution plan and is accounted for within the General fund in the volunteer budget.
