| 10.4           | Standards .....                       | 5           |
| 10.5           | Contracts with Outside Agencies ..... | 6           |
| 10.6           | Approval .....                        | 7           |

## SECTION 10.1      GENERAL

The Board supports strong, cost-effective maintenance programs designed to protect the taxpayers' investment in facilities, apparatus, and equipment.

DATE: March 25, 1997

REVISED: August 25, 2020

REVIEWED: August 27, 2024

## SECTION 10.2      RESPONSIBILITY AND AUTHORITY

The Fire Chief (or designee) is delegated the responsibility and authority to develop the maintenance programs at levels necessary to protect the District's investment in facilities, apparatus, and equipment.

DATE: March 25, 1997

REVISED: August 25, 2020

REVIEWED: August 27, 2024

## SECTION 10.3      PREVENTATIVE MAINTENANCE

The primary emphasis of the District's internal maintenance effort will be preventative and predictive maintenance programs and activities.

DATE: March 25, 1997

REVISED: March 13, 2007

REVIEWED: August 27, 2024

## SECTION 10.4      STANDARDS

Equipment, apparatus, and facilities will be maintained and upgraded as necessary, and as resources allow, to ensure that they comply with current federal, state, and local building codes, safety standards, or other appropriate standards such as NFPA.

DATE: March 25, 1997

REVISED: August 25, 2020

REVIEWED: August 27, 2024

The District may contract to provide maintenance service to other governmental agencies provided it has the capacity and is determined to be cost-effective.

DATE: March 25, 1997

REVISED: August 26, 2014

REVIEWED: August 27, 2024

SECTION 10.6      POLICY APPROVAL

This is to certify that Maintenance, Section 10, policies 10.1 – 10.5, were duly adopted and approved by Board action on:

---

Justin J. Dillingham , President of the Board

---

Clark I. Balfour, Secretary of the Board

APPROVED:    August 27, 2024
